PHOEBE C. MILLON

PHOEBE MILLON is a classically trained architect with a Masters in Architecture from MIT. Phoebe is the principal of PCM Design Studio and a licensed Home Improvement Contractor in Washington DC. Current work includes two law firm renovations in downtown DC, among residential renovations for multiple repeat customers in the DMV. Please review portfolio and references at www.pcmdesignstudio.com. In partnership with A3P Design Studio, designed and managed renovations in Italy and the United States, including managing production of full design drawings for the American Embassy in Rome as well as kitchen renovations for residences in Italy with the USA State Department. Background includes seven years with renowned international Architectural Engineering Firms working on Corporate Headquarters, Commercial buildings, University buildings, Airports, and Museums.
